Echo's Answer

The wind has gone The invisible come Your memories are being run The mountain scarred By invisible bars The stillness is on guard Oh, the wind will come Blow, answer echo's answer The mountain mine From invisible time I am next in line The message sent Was of discontent From incline to incline Oh, the wind will come Blow, answer echo's answer The wind is near The invisible hear Come my thoughts away from fear Oh, the wind will come Blow, answer all these echo's
