## Broadcast

Lines and lines of the spines, colored everyone  
Down the aisles, along the titles  
Where you run your eyes  
Read a few lines, ah

Read the sign above the door  
It's not for everyone

Makes you feel, individual  
Pages are one but that you ignore, ah

Read the sign above the door  
You'll run like anyone

Down the aisles, along the titles  
Where you run your eyes  
Read a few lines, ah

Read the sign above the door  
It's not for everyone
