

# Juggernaut

Brocas Helm

In the beginning  
There was light  
Focus the beam  
Now we use it to fight

Ashes to ashes  
Dust to dust  
In the end  
you will rock with us

Juggernaut roll  
Down the mountain  
Crash the gates  
Unlock the door

Junggernaut roll  
Like a wheel  
Crash the gates  
Give me the key to my soul

Down from the heavens and up from the sea  
They came looking, looking for me  
They'll never find me cause I'll never tell  
The stories they've written are rooted in hell  
We will rock

Roll  
Like a juggernaut  
We will roll all over you  
Ah ah ah ah oh

Juggernaut you will roll  
Like a wheel  
Give me the key to my soul
