

# Never Kissed Goodbye

Brocas Helm

I stand before you, do you remember me  
Or has it been too long ago  
We used to sing and dance in the rain  
It didn't matter if we had any money  
But now those days are gone

Oh oh I'm not crying anymore  
But you never kissed me goodbye  
You never kissed me goodbye  
You never kissed me goodbye baby oh no

Crazy winds they start to blow  
Telling me what I already know  
You play your games but you don't play to win  
Now I find you've list it once again

Oh oh I'm not crying anymore  
I wouldn't have it another way  
Oh oh I'm not crying anymore  
I wouldn't have it another way

In the end will begin again  
And I'll show you what it means to be in love again  
Until that day don't go too far away my love  
You know you're always in my heart

Oh oh I'm not crying anymore  
But there's just one little thing  
You never kissed me goodbye  
You never kissed me goodbye baby  
Oh no

And I never forgot it!

Oh oh I'm not crying anymore  
You never kissed me goodbye  
You never kissed me goodbye  
You never kissed me goodbye baby  
Oh no
