

## Feast Of Flesh

Brodequin

A ritualistic sacrifice set up to pass judgement on the chosen  
ones a covenant  
Blessed with blood priests set with knives in hand anxious beli  
evers look toward the sky,

Skin shaven clean, blood flowing, puncture wound, life fading.

Bodies dismembered by the hundreds amongst the screams of bliss  
severed

Limbs are ravenously devoured baptizing the new in the blood of  
the feast of flesh.

Arms bound down, blood flowing, Feast of Flesh...
