

Lost In Love

Broder Daniel

Everybody everywhere
Hurry up oh hurry up
Down to town on a suterdaynight
Something going on,
There is something going on
But I'm lost in love
Yeah
I'm lost
I'm lost
I'm lost
I'm not like every other man
Beacause I yearn
Beacause I yearn
Week-days they bring me down
But I'm an engin
On a Saturdaynight
And I'm lost in love
I'm an engine
I'm an engine
I'm an engine
I ain't got much,
Oh no I ain't got much
But I've got yearning
I've got yearning
There's something going on
On a Saturdaynight
But I have to find
Some place to go
And I'm lost in love
Yeah oooaaa hu hu hu
I'm lost, aoo, aoo
Wow
