

Whirlwind

Broder Daniel

The only one I love
She was a superstar
The only one I love
She was a superstar

The only one I love
She was a superstar
Ah

I dream a dream that can't come true
I can never be with her
I dream a dream that can't come true
Oh

The only one I love
She was a superstar
Ah
If I was a whirlwind
I could weep her heart away
Yeah yeah yeah

Oh I am
A weak heart
I am a weak heart
A weak heart to break

And a lost love to take
A lost love to take
Ah
I was a whirlwind
And she, she was a superstar
Ah ah ah ah ah

The only one I love
The only one I love
Ah
