

# You Bury Me

Broder Daniel

You  
You bury me  
Oh you, you dig my grave  
You bury me  
You, you  
You destroy me  
You, you  
You destroy me  
You break my heart  
You are a heartbreaker  
Oh it's you, oh it's true  
You bury me  
You, you  
You destroy me  
You, you  
You destroy me  
No, no  
La la la...  
Oh you send me to my grave  
Aaah...  
You bury me  
You bury me...
