

Terrorist Attack

Broken Bones

Well, there's the Baader-Meinoff
Yeah, they had their chances
And there's the P. L. O.
They took their stances
It's a terrorist attack
Run for your lives
They'll shoot you in the back
Run for your life
The I. R. A. with nail bombs
They'll blow you up if you don't wake up
The I. R. A. with nail bombs
Northern Ireland, what a fuck up
