

## Handjobs for the Holidays

### Broken Social Scene

Let me take you on  
We'll get high just a little  
Try to surface the calm  
We don't come inside

Has it brought you closer to this?  
Yeah, has it brought you closer to this?

And is it coming alive?  
Try to believe it  
Was the question a point?  
I don't want your love

Has it brought you closer to this?  
Yeah, has it brought you closer to this?

We've got eyes that leave us in places we don't see  
We've got eyes that leave us in places we don't see

Let me take you on  
We'll get high just a little  
It kind of takes the joy away  
We don't come at all
