

## Me and My Hand

### Broken Social Scene

(Vagina)  
(1-2-3-4)  
Me and my hand,  
We've been together  
Since I was born,  
Since I was in the world.  
Seen the light go out,  
Seen light come in  
Me and my hand,  
My true best friend  
And my love,  
My love -  
Oh, my hand  
I've gotta give it up,  
I always love you.
