

Towers and Masons

Broken Social Scene

They came to wed, and show
We came in late, touch score
Walking along
Avenue
Walking along
Struck in two, and found

Falling, falling
Back to towers and masons
I can't wait 'til the world
To know when
Falling, falling
Back to towers and masons
I can't wait to know
You'll notice
It's a mess

They crawled out
Of shells
They crawled out of
Their shells

They crawled out
Of shells
They crawled out of
Their shells
