

# Doin' My Thang

Brokencyde

Yeah! I'm just doin' my thang, cause this is my shot!

I'm just doin' my thang, so I'm workin' like your mama,  
Always hell'a hot, stove top, no drama,  
Hop up in my chain, straight lookin' cold train,  
Got money on my brain, so I'm spittin' like game  
Im'ma hit 'em with a little bit of this and that,  
Maintain on a muh-fuckin' platinum rap,  
Never change I'm insanelly gifted,  
Rip it, like the weed when it gets you lifted,  
Not talkin' bout money, then I don't wanna talk,  
I'm doin' my thang and I'm never gonna stop,  
Griming and rhyming, diamonds and timing,  
That's all I'm talkin' about, I'm out!

Doin' my thang  
Doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
My thang, thang, thang, thang

Doin' my thang feels so amazin'  
Let the beat bang, it's so contagious  
Music for the streets, got the speakers bassin'  
Doin' my thang feels so amazin'

Doin' my thang  
Doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
My thang, thang, thang, thang

Why you buggin' why you hating, why you trippin' on us  
We just relaxin' sitting back we sipping on Corona's  
Is that your girlfriend on my lap,  
Oops! I didn't mean to bone her  
But she was following the smell of my kush-aroma  
Yeah, I do it like you doesn't  
I'm a little stupid, you ain't nothin'  
Fuck that hater, he ain't stuntin'  
He ain't got a car with a push-start button,  
Got some 20's  
Nah, just frontin' but I keep 'em fresh  
Tatted from my feet to neck,  
You don't wanna meet your death

Doin' my thang  
Doin', doin' my thang (But I'll do it)  
Doin' my thang  
Doin', doin' my thang (I thought you knew it)  
Doin' my thang

Doin', doin' my thang (But you blew it)  
Doin' my thang  
My thang, thang, thang, thang (Yeah we do it)

Doin' my thang feels so amazin'  
Let the beat bang, it's so contagious  
Music for the streets, got the speakers bassin'  
Doin' my thang feels so amazin'

Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
Doin', doin' my thang  
Doin' my thang  
My thang, thang, thang, thang
