We shake, shake, shake, shake  
We shake, shake, shake, shake

Booty shaking to the mix

Call me Se7en, after six  
You don't know, better ask a chick

Don't stop!  
Let it go  
Let me see the tootsie roll

On the top, On the floo'  
Better let yo mama know

[Chorus]  
We shake, shake, shake, shake

We shake, shake, shake, shake  
You better let yo mama know

Girl, we can do it right  
Let's get this party jumping  
We'll party through the night

We got the speakers bumping  
We gotta slip n'slide  
Let's get this party jumping  
Until the morning light

Cameras flashing  
On the set

In your dreams  
Flashy cars

Bikini with the polka dots  
Come on baby  
Don't you stop

On the top, On the floo'  
Better let your mama know

[Chorus]
