

# The Party Don't Stop

Brokencyde

Tonight we dance looking at the skies  
So take a chance 'cause I don't wanna be alone  
Yeah baby 'cause tonight we're free  
Just you and me  
And we can live in time this dream  
We can be together for eternity

I've been tryin to tell them the party ain't stop it  
Kept them bottles poppin for the rest of our lives  
It's a celebration we know how to make em  
And we go to party for the rest of our lives

The party won't start, party won't start  
Party won't' start till I walk in  
And the party don't stop, the party don't stop  
The party don't stop, hope it never ends  
The party won't start, the party won't' start  
Till I walk in  
The party don't stop, and the party don't stop  
And the party don't stop till 5 A.M. tonight  
Till 5 A.M. tonight

So tonight we left  
So we fill the glass  
And take the chance  
'Cause I don't wana drink alone

I've been tryin to tell them the party ain't stop it  
Kept them bottles poppin for the rest of our lives  
It's a celebration we know how to make em  
And we go to party for the rest of our lives

The party won't start, party won't start  
Party won't' start till I walk in  
And the party don't stop, the party don't stop  
The party don't stop, hope it never ends  
The party won't start, the party won't' start  
Till I walk in  
The party don't stop, and the party don't stop  
And the party don't stop till 5 am tonight  
Till 5 am tonight
