

# Need A Man Blues

Bronski Beat

He-e-hey!

I got those need a man blues  
Driving me mad  
I go those need a man blues  
Hurting me bad

Sweet sweet sweet  
Is the taste of a man  
And sweeter still is the taste  
Of his sweet tasting love

Evil, wicked or angel  
Just give me a man  
Evil, wicked or  
Angel

Need a man blues  
Need a man blues  
Angel hurting me bad  
Boys and heroes lovers and men  
Turning me upside down  
Again and again  
Again and again

He-e-hey

I got those need a man blues  
I got those need a man blues  
Hurting me oh so bad

And the sweetest thing of all  
Is men loving men loving men loving men  
Is men loving men loving men loving men  
I got those need a man blues  
I got those need a man blues

Ne-he-he-he-he-he-he-ed a man blues  
Ne-he-he-he-he-he-he-ed a man blues  
Ne-he-he-he-he-he-he-ed a man blues  
Ne-he-he-he-he-he-he-ed a man blues
