

Broken Ocean

Bronze Radio Return

When the roof falls in, the sky begins to pour
All the ground erodes away with rushing water
The tide comes in and swallows up the shore
All the land disappears, we walk no longer, we walk no longer

We float upon a broken ocean
Where nothing ripples in its wake
We float but nothing stays in motion
'Til the broken ocean breaks

When the lesson's learned and written on a page
I'll buy the book to watch it burn and save the ashes
For soon arrives an age, a loss of innocence when we get judged
in every way
That stop the splashes, stop the splashes

We float upon a broken ocean
Where nothing ripples in its wake
We float but nothing stays in motion
'Til the broken ocean breaks
