## **Broken Ocean**

## **Bronze Radio Return**

When the roof falls in, the sky begins to pour All the ground erodes away with rushing water The tide comes in and swallows up the shore All the land disappears, we walk no longer, we walk no longer

We float upon a broken ocean Where nothing ripples in its wake We float but nothing stays in motion 'Til the broken ocean breaks

When the lesson's learned and written on a page I'll buy the book to watch it burn and save the ashes For soon arrives an age, a loss of innocence when we get judged in every way That stop the splashes, stop the splashes

We float upon a broken ocean Where nothing ripples in its wake We float but nothing stays in motion 'Til the broken ocean breaks
