

A Door That Is Open

Brook Benton

A Door that is open, a heart that is true
A love that will last for all time
These things I ask for may seem rather small
But to me they'll become a shrine
Two arms that are open to welcome me home
At the end of a weary day
A heart that is true to cherish and love
And to live forever that way
I'll love you, my darling, for all I'm worth
For now I have found that it's true
The door that opens to heaven on earth
Can only be opened by you.

The door that opens to heaven on earth
Can only be opened by you.
