

## A Door That Is Open

Brook Benton

A Door that is open, a heart that is true  
A love that will last for all time  
These things I ask for may seem rather small  
But to me they'll become a shrine  
Two arms that are open to welcome me home  
At the end of a weary day  
A heart that is true to cherish and love  
And to live forever that way  
I'll love you, my darling, for all I'm worth  
For now I have found that it's true  
The door that opens to heaven on earth  
Can only be opened by you.

The door that opens to heaven on earth  
Can only be opened by you.
