

## So Many Ways

Brook Benton

Your lips on mine are soft as dew  
Your kiss is so divine  
Your eyes are like the skies of blue  
And stars that brightly shine

Your voice is sweet like violins  
And warm like summer days  
I love you, I love you, I love you  
In oh, oh, so many, many ways

Your touch is like a breath of spring  
You give life to my soul  
To me, sweetheart, you're everything  
I ever hoped to hold

A smile from you lights up my heart  
And brightens all my days  
And I just love you, I love you, I love you  
In oh, oh, so many, many ways

If words could say how much I care  
My dear, you'd be amazed  
That I love you, I love you, I love you  
In oh, oh so many so many ways
