So Many Ways

Brook Benton

Your lips on mine are soft as dew Your kiss is so divine Your eyes are like the skies of blue And stars that brightly shine

Your voice is sweet like violins And warm like summer days I love you, I love you, I love you In oh, oh, so many, many ways

Your touch is like a breath of spring You give life to my soul To me, sweetheart, you're everything I ever hoped to hold

A smile from you lights up my heart And brightens all my days And I just love you, I love you, I love you In oh, oh, so many, many ways

If words could say how much I care My dear, you'd be amazed That I love you, I love you, I love you In oh, oh so many so many ways
