

# Someday You'll Want Me To Want You

Brook Benton

I know that someday, you'll want me, to want you  
When I'm in love with somebody new  
You expect me to be true, and keep on loving you  
Tho' I am feeling blue, you think I can't forget you

Until someday you'll want me, to want you  
When I am strong for somebody else  
And although you don't want me now,  
I'll get along somehow  
And then, I won't want you

I know that someday, you're gonna want me, to want you  
When I am strong for somebody else  
And although you don't want me now,  
I'm gonna get along, somehow  
And then, I won't want you  
I won't want you  
And then, I won't want you...
