

# The Ties That Bind

Brook Benton

Knowing you stand by me through good and bad  
Makes all the difference in my life  
And day by day, sweetheart, I find  
These are the ties that bind

The little things you do that please me so  
The way you always understand  
When simple joys bring peace of mind  
These are the ties that bind

You're all I need to see me through  
Can I say more than this, my love  
I live just for your kiss, my love  
I live just for your kiss, my love

Forever and a day, my love will live  
The flame of love will never die  
So heart and soul please say you're mine  
Held by the ties that bind
