

When A Child Is Born

Brook Benton

A ray of hope flitters in the sky
A shiny star lights up way up high
All across the land dawns a brand new morn
This comes to pass when a child is born

A silent wish sails the seven seas
The winds have changed whisperin the trees
And the walls of doubt crumble tossed and torn
This comes to pass when a child is born

A rosy fume settles all around
Youve got the feel youre on solid ground
For a spell or two no-one seems forlorn
This comes to pass when a child is born

And all of this happened
Because whe world is waiting
Waiting for one child
Black, white, yellow, no one knows
But a child that would grow up and turn tears to
laughter
Hate to love, war to peace
And everyone to everyones neighbour
Misery and suffering would be forgotten forever

Its all a dream and illusion now
It must come true, sometimes soon somehow
All across the land dawns a brand new morn
This comes to pass when a child is born

All across the land dawns a brand new morn
This comes to pass when a child is born

When a child is born
