Set the scene I steal it When I get fucked up?

I'm on that soda and henny I don't know how to act If I take another shot down I may have a heart attack Fucking grab a bottle off of that tequila shelf I'll show you what the game is, I don't blame you if you feel yourself From the bed to the bed. Go on and feel yourself Kick it up bring it back. Go on and feel yourself Ladies stand up, fellas put your hands up Go on and feel yourself, feel yourself and feel yourself! I bite it Suicide boys, let's ride out My night out Fucked up till its lights out I'm Blacked out, wasted Tryna' get up, I'm faded So dilapidated, America's most hated You drunk right? Turn it into a prom night Work it up and drunk fight Suck it till you drunk right Blame it, all of that liquor We be swerving, all of that liquor Blurry, all of that liquor Cuz' we be slurring all of that liquor I'm on that soda hey hey I don't know how to act If I take another shot down I may have a heart attack Fucking grab a bottle off of that tequila shelf I'll show you how the game is, I don't blame you if you feel yourself From the bed to the bed. Go on and feel yourself Kick it up bring it back. Go on and feel yourself Ladies stand up, fellas put your hands up Come on and feel yourself, feel yourself and feel yourself! Took more shots than world war No drawers, it's all down girls that's sore Feel no pain, let it rain I smell in my profane Oh man, I'm coming down Turn it down another round Laying up, smoke loud Fucked up, drunk crowd Hands up, what now? Stand up, get down Amen, smoking Lame men, toking Swerving, joking Jerking, focus I'm poppin' shit until I feel it Lean Brooke and I'm real in

Walking in and I get wrecked up
Time to fuck your function up
Break it down, and turn it up
Trip it, rip it red light
Tip it, sip it, say it right
Head it, give it, dead light
Hit it, kill it it, dead right?
I'm setting fire to liars
I'm fucking Jerry Macguire
I'm fucking higher than fire
You tired? Retire

Turn me on I'm a radio, I ain't afraid though Turn me on I'm a radio, I ain't afraid though Turn me on I'm a radio, I ain't afraid though Turn me on I'm a radio, I ain't afraid though
