Brooke Candy

I'm your candy, I'm red hot baby
Hey boy, I wanna taste your candy
Come now, I'm a give you what you need
Let's go, I'll let you taste a part of me
I know you'll taste sweet

Follow me, Follow me yeah
Can't you see, This girl is hungry

I'm a put you in my mouth
Pop you like a pop rock
I'm a spice it up
I'm a leave you red hot
Put you in my mouth
Pop you like a pop rock
I'm a turn you on
I'm a make your heart stop
