

## About Us

Brooke Hogan

Boys talkin' down  
On the sidelines watching wishin' they was playin' the game we playin'  
But its all good though  
Paul Wall Brooke what up baby

What it do Paul Wall  
Look who's talkin'

OK I hear the commentators on the side chatter boxing  
Paul Wall and Brooke got all the paparazzi watching  
I hear them jaw japing bumping guns chasing crones  
We ain't concerned with them bums we accumulating funds  
Plastic wrist we got the Johnny Dang watch froze 5 kid yellow stone in my earlobe  
I'm squashing chatter when the light hit the pinky ring  
Starch and clean white puff with the lean  
See me in the new Benz cause I'm oh so ballin'  
Or a old school slab with the few wheels fallin'  
We got em talkin' but really they ain't saying too much  
Just speculating the gossip truth is they don't know about us

I see your lips moving but I don't hear nothing  
Everybody talking like they really know something about us  
But they don't know nothing about us  
I see your lips moving but I don't hear nothing  
Everybody talking like they really wanna know about us  
But they don't know nothing about us

(Talk to 'em Brooke)

I'm just trying to live but your all up in my grill  
How's a girl to breathe with all the media starring down my mouth  
With a four inch lens I just wanna hit the mall with some of my friends

They talkin' 'bout us so I guess were doing something right  
Ballin' in the mix with the camera lights shining bright  
They know we caked up but they don't know how much we worth  
people clear the ceiling off because we getting work

Picture yourself up in my shoes  
Top story in the news  
Everyday its something new  
Everybody's watching you  
But they ain't seen nothing  
They Ain't heard nothing  
Everybody's just fronting its what they do

I see your lips moving but I don't hear nothing  
Everybody talking like they really know something about us  
But they don't know nothing about us  
I see your lips moving but I don't hear nothing  
Everybody talking like they really wanna know about us  
But they don't know nothing about us

Stop stop stop  
I'm not listening  
You can save your breath

I don't wanna hear the rumors people are spreading  
Why, why do people go  
Out of there way  
To try to bring us down  
They wanna know about us

I see your lips moving but I don't hear nothing  
Everybody talking like they really know something about us  
But they don't know nothing about us  
I see your lips moving but I don't hear nothing  
Everybody talking like they really wanna know about us  
But they don't know nothing about us
