Love is a funny thing (oh yes it is) It can live through what people say The only thing I ask (what you ask?) Is that you have some respect (I got it babe) And please dont take My love away yea oooh oooh yea You can trust me (trust me) I can trust you Baby I trust you Baby we could fly away oh whoa Nothing matters cuz nothings better Baby I will always stay I cant believe that we're back to here Must of been about a whole year Suffering losing all my sleep Cuz I didnt have you here I replay it a hundred times Without you home it anit right I know I prayed almost everyday Lord give me back my life yea I used to be scared of losing you Would you be scared to lose me too? No we never need to worry Finally the truth will set us free Now you know I never want to leave You can be you and I can be me You can trust me I can trust you Baby I trust you Baby we could fly away oh whoa Nothing matters cuz nothings better Baby I will always stay I cant beleive that I'm not alone To have you backs like having a home Cuz I remember what you said to me I ride for you you ride for me We can be whatever you like Best friends your by my side Whatever you want is fine All I want is you in my life

I used to be scared of losing you Would you be scared to lose me too? No we never need to worry Finally the truth will set us free Now you know I never want to leave You can be you and I can be me You can trust me I can trust you Baby I trust you Baby we could fly away oh whoa Nothing matters cuz nothings better Baby I will always stay Trust me
