

Be Careful

Brooke White

One, two, three

I think about you far more than I think I ought to
What in this world would I do if I didn't have you around?
And I worry sometimes when I have to leave you behind
You're always in the back of my mind and every sight, every sound

So all I wanna say to you is I'm afraid to lose the only one I
care for
So be careful

To have the fend for myself wouldn't be good for my health
I wouldn't do very well having to live without you
So keep up your guard, look after your precious heart
And every time that we are apart remember I'm with you, I'm with you

So all I wanna say to you is I'm afraid to lose the only one I
care for
So please be careful
