Be Careful

Brooke White

One, two, three

I think about you far more than I think I ought to
What in this world would I do if I didn't have you around?
And I worry sometimes when I have to leave you behind
You're always in the back of my mind and every sight, every sou
nd

So all I wanna say to you is I'm afraid to lose the only one I
care for
So be careful

To have the fend for myself wouldn't be good for my health
I wouldn't do very well having to live without you
So keep up your guard, look after your precious heart
And every time that we are apart remember I'm with you, I'm wit
h you

So all I wanna say to you is I'm afraid to lose the only one I
care for
So please be careful
