

# Keep Running

Brooke White

Every minute I come home  
And turn on all the lights  
I still see you in the shadows  
Even when it's bright  
Put music on the radio  
Play it way up high  
I can hear you in the silence  
And all I do is cry

Changing, places  
But I'm always looking for you  
In that endless sea and faces  
What am I gonna do

I keep running  
Going nowhere  
I can't leave your love behind me  
I keep running  
Never moving  
Getting lost so you can't find me  
I keep running  
Slow motion  
Hoping someday yeah soon I'll see  
I'll see  
You'll come running on my darling back to me

Every morning I wake up  
And try to turn on the pain  
Sunlight in my window  
Might as well be rain  
Driving after midnight  
To help my heart up wide  
Your memory keeps tearing  
At the edges of my mind

Starting over  
But I'm always thinking of you  
Oh fewer

Farther  
What am I gonna do

I keep running  
Going nowhere  
I can't leave your love behind me  
I keep running  
Never moving  
Getting lost so you can't find me  
I keep running  
Slow motion  
Hoping someday yeah soon I'll see  
I'll see  
You come running on my darling back to me

Changing, places  
But I'm always looking for you  
In that endless sea and faces

What am I gonna do

I keep running  
Going nowhere  
I can't leave your love behind me  
I keep running  
Never moving  
Getting lost so you can't find me  
I keep running  
Slow motion  
Hoping someday yeah soon I'll see  
I'll see  
You come running on my darling back to me
