

# Like I Do

Brooke White

So you say  
You're moving to L.A  
Well if that's the way  
That you wanted to be  
Then I stay behind  
With little piece of mind  
That you feel the same way, about me  
Because...

When you're gone  
It won't be long  
Til you find someone new  
Who won't love you like I do  
Like I do  
You will find someone new  
Who won't love you like I do  
Like I do

Ooooooooooooooooooh

And I know  
That you got to go  
And find yourself on your own  
But I'm telling you  
Whatever you do  
Then I'm holding on  
Even though I could lose him

When you're gone  
It won't be long  
Til you find someone new  
Who won't love you like I do  
Like I do  
You will find someone new  
Who won't love you like I do  
Like I do  
Oooh

Do you still dream of me  
When you close your eyes til you go to sleep  
There's one more day and you sleeping late  
I need you here with me

Ooooooooooooooooooh  
Ooooooooooooooooooh

Now you call to say  
You had come to L.A  
And the things have change  
And time or space could come in between  
You and me  
And if that's the way  
That you wanted to be

So now I'm gone  
And it won't be long  
Til I'm next to you

And I can love you like I do  
Like I do  
I knew no one could have ever love you like... I do  
Ummmm....  
Like I do  
Like I do  
Like I do

Do you still dream of me  
Do you still dream of me  
Do you still dream of me  
Do you still dream of me
