

Little Bird

Brooke White

Fell out of love
And hit the ground
Lookin' for something
That's never been found
Gave up my heart too many times
I wish I knew what I'm tryin to find

So tell me, little bird
All of the good things that you've heard
Cause I need you, little bird
To sing me a sweet song
Oh
Just sing me a sweet song

Well I don't care
What people say
Gonna believe in love anyway
All of my life I've been afraid
To lose myself in seasons of change

So tell me, little bird
All of the good things that you've heard
Cause I need you, little bird
To sing me a sweet song
So tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song
Oh
Sing me a sweet song
Oh

Underneath the willow tree
Won't you come and sing to me?

So tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song

Tell me, little bird
All of the good things you have heard
Cause I need you, little bird
To sing me a sweet song

Oh
Sing me a sweet song, a sweet song
Ooh
Sing me a sweet song
Oh
