

Smile

Brooke White

Don't you
Don't you worry about me
Don't you worry about a thing
I can take care of myself

You don't
Don't have to say a word
And try to heal my hurt
Because I can take care of myself

And it might take a while
Maybe a couple million miles
Until I forget your smile
Ooh, ooh, ooh, ooh
Until I forget your smile
Ooh, ooh, yeah
It might take a while
Until I forget your smile

It was
It was good while it lasted
I know that I'll get past it
It's just gonna take some time

So hold me
While I let you go
And just real slow
Real slow

And it might take a while
Maybe a couple million miles
Yeah, until I forget your smile
Ooh, yeah, ooh, ooh
Until I forget your smile
Ooh, ooh, yeah
Well it might take a while
Until I forget your smile
Until I forget your smile, yeah

Like the sun upon my skin
Like the whisper on the wind
I'll watch end begin
I'll miss you my friend

And, oh, it might take a while
Oh, until I forget your smile
Ooh, ooh, ooh, ooh
Until I forget your smile
Ooh, ooh, ooh, yeah
Until I forget your smile
