

Use Somebody

Brooke White

I've been roamin' around, I was lookin' down
On all I see

Painted faces filled with places I can't reach
You know that I could use somebody
You know that I could use somebody

Someone like you with all you know and how you speak
Countless love is undercover on the street
You know that I could use somebody
You know that I could use somebody

Someone like you, oh, oh, oh, oh
Someone like you, oh, oh, oh, oh
Someone like you, somebody oh, oh, oh, oh
Someone like you, somebody oh, oh, oh, oh
Yeah

Off in the night, while you live it up
I'm off to sleep
Ragin' wars to shape the poet and the thief
Well, I hope it's gonna make you notice
Yeah, I hope it's gonna make you notice, mm
Someone like me, oh, oh, oh, oh
Someone like me, oh, oh, oh, oh
Someone like me somebody, oh, oh, oh, oh
Someone like me, somebody, yeah
Oh, oh, oh, oh

I'm ready now
I'm ready now
I'm ready now
I'm ready now
I'm ready now
I'm ready now
I'm ready now

Use somebody
Use somebody
Somebody, yeah
Someone like you

I've been roamin' around
I was lookin' down at all I see
