

Yellow

Brooke White

Look at the stars
Look how they shine for you
And everything that you do
Yeah, they were all yellow

I came along
I wrote a song for you
And all the things that you do
And it was called yellow

So then I took my turn
A lot of things to have done
And it was all yellow, oh

Your skin, oh, yeah
Your skin and bones
Turn into something beautiful
Do you know?
You know I love you so
You know I love you so

I swam across
I jump across for you
A lot of things to do
'Cause you were all yellow

I drew a line
I drew a line for you
A lot of things to do
And it was a yellow, oh

Your skin, oh, yeah
Your skin and bones
Turn into something beautiful
Do you know?
For you I bleed myself dry
For you I bleed myself dry
Oh, oh, oh, ooh

You know it's true
Look how they shine for you
Look how they shine for you
Look how they shine for you

Look how they shine for you
Look how they shine for you
Look how they shine

Look at the stars
Look how they shine for you
And all the things that you do
And it was all yellow
