

# You Must Love Me

Brooke White

Where do we go from here?  
This isn't where we intended to be  
We had it all  
You believed in me, I believed in you  
Certainties disappear  
What do we do? For our dream to survive?  
How do we keep, all our passions alive  
As we used to do?

Deep in my heart, I'm concealing

Frightened you'll slip away  
You must love me  
You must love me

Why are you at my side?  
How can I be, any use to you now?  
Give me a chance, and I'll let you see how  
Nothing has changed

Deep in my heart, I'm concealing  
Things that I'm longing to say  
Scared to confess, what I'm feeling  
Frightened you'll slip away  
You must love me  
You must love me  
You must love me
