

Loud & Proud

Brooklyn Bounce

loud and proud, cause we're loud and proud
We got the bass, we got the beats
loud and proud, cause we're loud and proud
this is a revolution in the sound
in the sound, in the sound
lets do this, back to the old school
the bounce will be back
loud and proud
rewind... loud and proud,
hear the loud and proud, hear the music loud and proud
loud and proud, hear the music loud and proud,
the bass will rule there ...
hear the music loud and proud,...
hear the music, loud and proud
cause we're loud and proud,
let the bass kick, loud and proud
lets go, everybody in the place
get ready, we got the bass
we got the beats, hear the music
loud and proud.
... there can be missing some words, sorry ...
