

Brand New Man

Brooks & Dunn

I saw the light, I've been baptised
By the fire in your touch
And the flame in your eyes
I'm born to love again, I'm a brand new man

Well the whole towns talkin'
'Bout the line I'm walkin'
That leads right to your door
Oh how I used to roam,
I was a rolling stone

I used to have a wild side
They say a country mile wide
I'd burn those beer joints down
That's all changed now
You turned my life around

Well the whole towns talkin'
'Bout the line I'm walkin'
That leads right to your door
Oh how I used to roam,
I was a rolling stone

I used to love 'em and leave 'em
I'd brag about my freedom
How no one could tie me down
Then I met you,
Now my heart beats true

Baby you and me together
Feels more like forever
Than anything I'd ever known
We're right on track
I ain't lookin' back

Well the whole towns talkin'
'Bout the line I'm walkin'
That leads right to your door
Oh how I used to roam,
I was a rolling stone
