

## Brand New Man

Brooks & Dunn

I saw the light, I've been baptised  
By the fire in your touch  
And the flame in your eyes  
I'm born to love again, I'm a brand new man

Well the whole towns talkin'  
'Bout the line I'm walkin'  
That leads right to your door  
Oh how I used to roam,  
I was a rolling stone

I used to have a wild side  
They say a country mile wide  
I'd burn those beer joints down  
That's all changed now  
You turned my life around

Well the whole towns talkin'  
'Bout the line I'm walkin'  
That leads right to your door  
Oh how I used to roam,  
I was a rolling stone

I used to love 'em and leave 'em  
I'd brag about my freedom  
How no one could tie me down  
Then I met you,  
Now my heart beats true

Baby you and me together  
Feels more like forever  
Than anything I'd ever known  
We're right on track  
I ain't lookin' back

Well the whole towns talkin'  
'Bout the line I'm walkin'  
That leads right to your door  
Oh how I used to roam,  
I was a rolling stone
