

# Caroline

Brooks & Dunn

My darling, I have wronged you  
Down the devil's path I have roamed  
Regret, sadness and sorrow  
Now in my soul have found a home

(2x):

My Sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Forgiveness I pray  
A fool to temptation  
I surely played  
I come to you for salvation  
Have mercy in love's name

The chilling cry of sin's wrath  
Sounds like thunder through my head  
I find no rest now no comfort  
In a cold dark lonely bed

(2x):

My Sweet Caroline  
From your loving arms I've strayed  
In your heart may you find  
Forgiveness I pray  
A fool to temptation  
I surely played  
I come to you for salvation  
Have mercy in love's name
