

## Chance of a Lifetime

Brooks & Dunn

I came staggerin' in, in the middle of the night  
I got my alibi sewed up nice & tight  
Cracked the bedroom door, I tried to keep it from squeakin'  
'Cause I know there's a wildcat in there sleepin'  
But the, the light was on & the bed was made  
& there's a dear john written on the pillow case

She said I've gone to the Bahamas  
I've had it with the drama  
Time to get out of town, I'm just a slowin' you down  
She said I found somebody that likes the things that you used to  
Yeah & he's got a lot of money, we're goin' where it's sunny  
& baby he's a looker too  
She said it was a chance of a lifetime  
What was I supposed to do

Oh yeah, I woke up this mornin' in a terrible mess  
I had the telephone ringin' & her cat on my chest  
I'm wipin' the sleep out of my bloodshot eyes  
It's gotta be her callin' to apologize  
She must be feelin' bad 'cause she done me wrong  
Then I pushed the button on the code-a-phone

She said I've gone to the Bahamas  
I've had it with the drama  
Time to get out of town, I'm just a slowin' you down  
She said I found somebody that likes the things that you used to  
Yeah she said he's got a lot of money, we're goin' where it's sunny  
& baby he's a looker too  
She said it was a chance of a lifetime  
What was I supposed to do

Oh & I got the stereo & she got the music  
Yeah & I got this washer but I don't know how to use it

She's gone to the Bahamas  
Had it with the drama  
Time to get out of town, I'm just a slowin you down  
She said I found somebody that likes the things that you used to  
Yeah she said, he's got a lot of money, we're goin' where it's sunny  
& baby he's a looker too

She said it was a chance of a lifetime  
What was I supposed to do  
Oh yeah, it was a chance of a lifetime  
What was I supposed to do

Maybe you can come get this cat
