

How Long Gone

Brooks & Dunn

I keep thinkin' any minute you'll be comin' home honey
I ain't seen nothin' of you in a month of sundays
Tell me how long gone are you gonna be

All you said was you had to get goin'
Oh but baby I wouldn't mind knowin' just
How long gone are you gonna be

How am I supposed to make any plans
When I still don't even understand
If you're ever gonna come back home to me
How long gone are you gonna be

Maybe I didn't pay enough attention
But I do believe you forgot to mention
Just how long gone are you gonna be

The phone ain't ringin', 'cause you still ain't callin'
I ain't been hearin' your footsteps fallin'
Tell me how long gone are you gonna be

How am I supposed to make any plans
When I still don't even understand
If you're ever gonna come back home to me
Tell me please
How long gone are you gonna be
Tell me how long gone are you gonna be
