I'll Never Forgive My Heart

Brooks & Dunn

Hello heartache who let you in I swore the last time never again Back together just you and me Where's you old friend Mr. Misery

I went and did it I dropped my guard I fell in and I fell hard Now she's sayin' she's found someone new How could I have been such a fool

Oh close the door turn out the lights draw the curtain I'll get over her in time it's gonna take some hurtin' I tell myself I told you so as I fall apart I can't blame love But I'll never forgive my heart
