

## Johnny Cash Junkie (Buck Owens Freak)

Brooks & Dunn

I grew up on Waylon, Willie and the Stones  
Soundtrack to my life is a hillbilly song  
Old boys like Merle, that man in black  
Said what they wanted, never looked back  
I tear up to "Crying In Time"  
Me and Johnny fight to walk the line

I still drive a pickup, I still wear boots  
I grew up country, I'm proud of my roots  
Red, white and blue are the colors I bleed  
I'm a Johnny Cash junkie and a Buck Owens freak

We got redneck women driving ATV's  
Wearing camo bikinis on CMT  
I throw back a beer, I pledge allegiance to Hank  
I'll take a little less pop, a lot more twang  
Three cords and some down-home soul  
Some things never grow old

I still drive a pickup, I still wear boots  
I grew up country, I'm proud of my roots  
Red, white and blue are the colors I bleed  
I'm a Johnny Cash junkie and a Buck Owens freak

Three cords and some down-home soul  
Some things never grow old

I still drive a pickup, I still wear boots  
I grew up country, I'm proud of my roots  
Red, white and blue are the colors I bleed  
I'm a Johnny Cash junkie and a Buck Owens freak
