

# My Heart Is Lost to You

Brooks & Dunn

Maybe it was the moonlight, the scent of you on the breeze  
Maybe it was your shadow that fell over me  
Such a beautiful stranger, eyes darker than coal  
Your first look crossed the desert into my soul

Mi corazon es perdido a ti  
My heart is lost to you  
You have captured my love completely  
My heart is lost to you  
My heart is lost to you

Maybe it was the music, the way it moved with your hair  
Or the heat of the moment that hung in the air  
But when I saw you there dancing, mesmerized by your gaze  
There was some kind of magic that led me away

Mi corazon es perdido a ti  
My heart is lost to you  
You have captured my love completely  
My heart is lost to you  
My heart is lost to you

Oh la, la, la la, la, la la, la, la  
Forever I'm under your spell

Oh la, la, la la, la, la la, la, I can tell

Mi corazon es perdido a ti  
My heart is lost to you  
You have captured my love completely  
My heart is lost to you  
My heart is lost to you
