

# My Heart's Not a Hotel

Brooks & Dunn

When your headlights cut across my wall  
Yeah, I thought it might be you  
Looking for a place to fall  
Talking sweet and thinking small  
Seeking out convenient arms  
Yeah, and resting for a while  
Someone to keep you safe and warm  
While you ride out your latest storm  
Oh

My heart's not a hotel  
You can check in and out of  
It's not a temporary shelter  
It's a home for someone's love  
Don't just come here when you're lonely  
Knowing full an' well you wont stay  
'cause I don't have the strength tonight  
To turn you away

Oh don't let the dawn find me asleep  
On a pillow of regret  
Take all my dreams, just leave the key  
And let me keep my dignity  
Cause

My heart's not a hotel  
You can check in and out of  
It's not a temporary shelter  
It's a home for someone's love  
Don't just come here when you're lonely  
Knowing full an' well you wont stay  
'cause I don't have the strength tonight  
To turn you away

No don't come when you're lonely  
Knowing full an' well you wont stay  
Cause I don't have the strength tonight  
To turn you away  
I don't have the strength tonight  
To turn you away
