

Silent Night

Bros

Silent night, holiest night,
Darkness flies, all is light,
Shepherds hear the Angels sing:
Hallelujah, hail to their new born King,
Jesus, the Saviour is here.
Jesus the Saviour is here!

Silent night, holiest night,
Guiding star, lend thy light,
See the Eastern Magi bring,
Gifts and homage to their new born King,
Jesus, the Saviour is here.
Jesus the Saviour is here!

I can feel it, yeh-yeah
It's in our heart
Everyday of your life
'Cause the Saviour
Is with us now
