

Sooner Or Later

Brotha Lynch Hung

(sooner or later) she'll make you lose your mind and rob you of your sanity can i make it look like suicide, am i comin am i goin im really not knowin anymore and then i get to thinkin im hearin voices in my head sometimes they tell me love her most times they tell me kill her (sooner or later) she loves me i hate her she hates me i love her, murder sooner or later i blame her.

sooner or later she gone break my heart knew it from the get knew it from the start sooner or later she gone make my heart, sooner or later see a bite go bark this aint coo takin a chance sooner or later she gone miss her fam so maybe i should miss my fans and hop back on the road again before my heart explod again i get the 9 millimeter and pop the clip check the bullets then load it in, cuz im lettin these ciggarretes smoke they self 24 beers lined up on the shelf halfway filled so im halfway felt halfway like wanna kill myself and halfway wrong but im halfway right she think im wrong more than half the time half the time im in the acid mind, most of time i gotta ask my 9 most the time i gotta ask the budwiser thinkin the beer gone answer back i do know if a nigga go inside you he ride you better never ask me back (Fuck that) it is what it is Run DMC just like that come with me got somn to see, remember them days i had you cummin in 3'sssssss, you always be thinking you runnin this relationship but the fact is you runnin me and the homies like aint that somn to see.

Sooner or later imma just give up this aint love love is different i aint feelin it yes i am im in love in love with killin, everybody around i might kill em body up in the ground naw im just playin i be up in the town im just livin but everyday aint thanksgivin found that out quicker than cookin a frank in the kitchen, niggas aint lovin me i can digg it digg me a couple of holes and just did it me and my girl we splended you dont have to try and act like you care and ask me homie what is this bout to get a axe murder 1 no livin turn a mudafucka into deep fried chicken, i dont give a fuck cause im sicc like michale... douglas thats why i love my nigga his girl 20 years younger like mine is everybody thinks she dont know what time it is, everybody think i dont know what time it is il deal with it il change the time out this rhymin is how i get by run up i roll with a sicc side gun up who wanna try n get with me noneup only reason i aint killin Suns up when it get dark then im back to the park cut thrw the back then im after the heart you always be thinkin you runnin this relationship but the fact is you runnin me and my girls like aint that somn to see.

sooner or later shell know whats up. sittin in the park smokin
